Accessibility Statement

We are committed to making our website accessible and inclusive for all users, regardless of ability or technology. We believe everyone should have equal access to information about our leadership development, coaching, and consulting services.

We aim to design and maintain our website in accordance with recognised accessibility best practices, including the Web Content Accessibility Guidelines (WCAG) 2.1 Level AA where reasonably practicable. We continually review and improve the accessibility and usability of our website to provide a positive experience for all visitors.

If you encounter any accessibility barriers while using our website, experience difficulty accessing any content, or require information in an alternative format, we encourage you to contact us. We welcome your feedback and will make reasonable efforts to address accessibility issues and improve the user experience.

As our website and digital content continue to evolve, accessibility remains an ongoing commitment. We regularly review our website and implement improvements where appropriate to support a wider range of users and assistive technologies.

For accessibility enquiries or to report an issue, please contact us at **contactus.optimentum@gmail.com** and we will respond as soon as reasonably practicable.
